EXPERIENCE HENDRIX

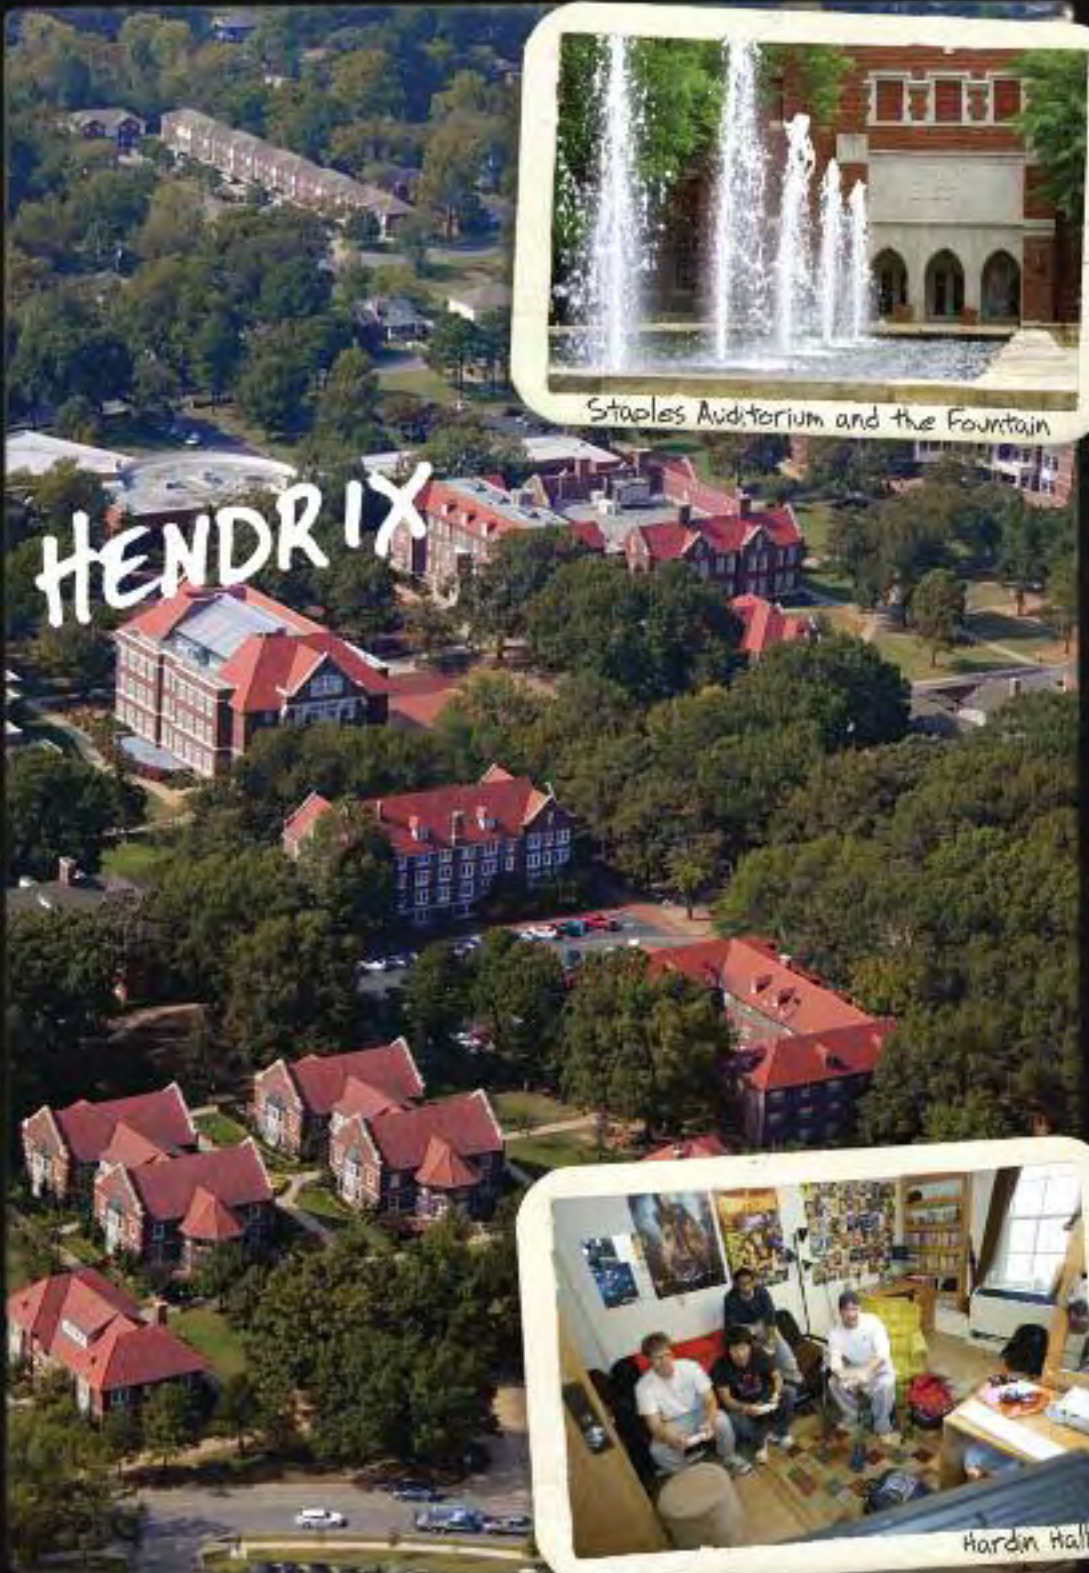

# Imagine.

Imagine the quintessential small, residential, liberal arts college. Imagine what it must be like to live there, walking with your friends across the well-kept campus to attend classes and labs in elegant, classic, red-brick buildings. Imagine having a theatre, an art gallery, a dance studio, dining areas, athletics fields, complete recreational facilities – even a Pecan Court – right in your own “back yard.”

Hardin Hall

It's not Utopia -  
but it's close.

Hendrix is a truly egalitarian community, where you are accepted wholeheartedly for who you are and what you are. When you visit campus, you'll discover for yourself what sets us apart from other schools – our college's friendly, open, honest, unpretentious character.

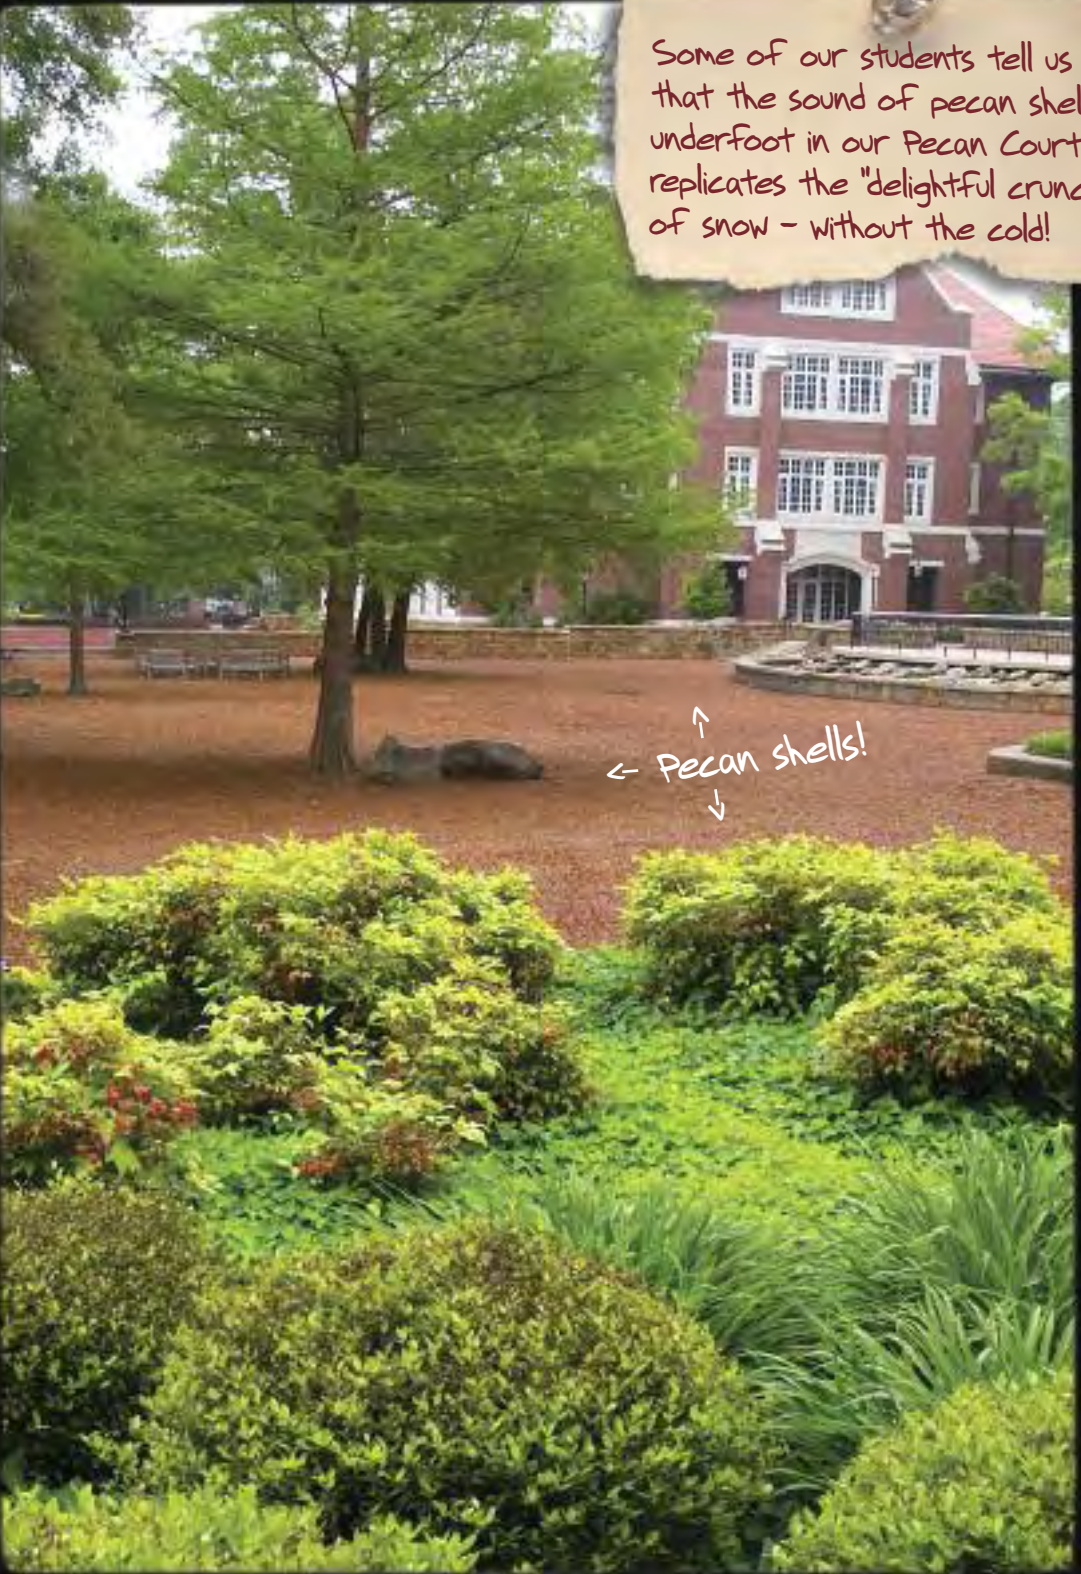

*We Keep it real.*

No one will judge you by the clothes you wear or the car you drive up in. You don't have to put on a show for us – just be yourself. We look forward to getting to know the real you and introducing you to the real Hendrix.

Some of our students tell us that the sound of pecan shells underfoot in our Pecan Court replicates the "delightful crunch" of snow - without the cold!
